Statewide Programs

US DEPARTMENT OF AGRICULTURE (USDA), SINGLE FAMILY HOUSING REPAIR LOANS AND GRANTS

[Visit Website](#)

The Single Family Housing Repair Loans and Grants program provides loans to income-eligible homeowners in eligible rural areas to repair, improve, or modernize their homes. This program may also provide grants to elderly income-eligible homeowners in eligible rural areas to remove health and safety hazards.

WHAT IS AVAILABLE TO HOMEOWNERS?

- The maximum loan amount is \$40,000 to be repaid over 20 years with a fixed interest rate at 1%.
- The maximum grant amount and lifetime limit is \$10,000 and must be repaid if the property is sold in less than three years.
- Loans and grants can be combined for up to \$50,000.

LOAN AND GRANT ELIGIBILITY

- The home must be owner-occupied;
- You must be unable to obtain affordable credit elsewhere;
- You must have a household income that does not exceed the [very-low-income limit](#).
- In the case of grants, you must be age 62 or older.

WHAT IS AN ELIGIBLE RURAL AREA?

Utilizing the [USDA Eligibility Site](#), you can enter a specific address for determination or just search the map to review general eligible areas.

To learn more about Single Family Housing Repair Loans and Grants, please refer to the [Fact Sheet](#).

Contact a [USDA home loan specialist](#) in your area to get started. To find the closest USDA home loan specialist for your area, please refer to this [interactive USDA map](#).

ILLINOIS HOMEOWNER ASSISTANCE FUND HOME REPAIR PROGRAM (HAFHR)

*Elevate is a grantee of the HAHFR Program. ILSFA participants are not required or expected to go through Elevate to access this grant.

[Visit website](#)

The Illinois Homeowner Assistance Fund Home Repair Program (HAFHR) allows eligible homeowners to address home maintenance needs that were delayed and exacerbated due to the COVID-19 pandemic. Eligible repairs will maintain the habitability of a home and prevent homeowner displacement. Those who received HAF housing assistance are eligible to apply. The home repair grants will carry a 3-year forgivable recapture agreement. Funding and organizational capacity are limited, and many grantees have a waiting list for applicants.

For a list of grantees, [please visit here](#).

WHAT IS AVAILABLE TO HOMEOWNERS?

- HAFHR granted awards to selected grantees to make eligible critical home repairs up to \$60,000 per household.

ELIGIBILITY

- Homeowner must be at or below 150% AMI based on household size.
- Households must certify a financial hardship after January 21, 2020, related to the COVID-19 pandemic.
- Must own and occupy the home.
- Must meet any additional eligibility requirements determined by the grantee.

Home Rehabilitation Accessibility Program (HRAP)

[Visit Website](#)

The Home Rehabilitation Accessibility Program (HRAP) provides forgivable loans for rehabilitation work for health, safety, and accessibility improvements on the homeowner's property. This may include basic structural repairs, roof, doors, windows, electrical, heating, and more improvements. Contact your local administrator of the program to check for available improvements.

WHAT IS AVAILABLE TO HOMEOWNERS?

- Up to \$45,000 per unit for all types of rehabilitation work.
- Up to \$21,500 for the roof-only option.
- Assistance in the form of a 5- or 3-year forgivable loan.

ELIGIBILITY

- Homeowners at or below 80% of the [Area Median Income \(AMI\)](#) for the household size.
- Must be a single-family home.

A network of grantees administers the Home Rehabilitation Accessibility Program across Illinois. The approximate grant period runs from March 2023 through March 2025. Please note that funding and organizational capacity is limited, and many grantees will have a waiting list for applicants. Due to limited program funding, not all eligible households will receive funding. If your community area is not included below, please refer to this [list of grantees](#) to see if there is funding in your community area.
